Superintendent News...

Leaf collection (Spring pickup):

Leaves must be in bags. The village DPW will pick them up.

Brush pickup (Spring pickup):

Brush pickup will begin April 15, 2010 (weather permitting). If weather is bad on that date, brush pickup will be on the next sunny day!

The village will be renting a chipper. All tree butts must face the street and be stacked in an orderly fashion. If brush piles are not stacked properly, village employees will not pick them up. Brush will be chipped on the 15th of each month consecutively until November 1, 2010. Also, if you cut a large tree on private property, it is your responsibility to clean it up.

*** Please note the council recommends to keep the road right of way clear, please put brush out to the street on the 14th of the month. We prefer brush to be placed next to curb/street no more than 24 hours prior to the 15th of the month.

Tornado Whistle:

Tornado Warning: you will hear 3 (1 minute) blasts. When it's clear, you will hear 1 (1 minute) blast.

Tornado Shelter:

The basement of the Village Office, 115 E Evergreen St., in Sheridan will be available for Village residents during a Tornado Warning. At the present time, the basement is not barrier free. If you hear the tornado warning whistle, the basement will be available to take shelter. The Sheridan Fire Auxiliary is organizing these efforts.
